

# Keep me safe at arrival and departure times

Make sure I'm safely buckled up in my car seat or booster seat on every trip.

Help me buckle and unbuckle my seatbelt at the start and finish of every trip and keep checking it along the way.

Remember to help me in and out through the 'Safety Door' (the rear passenger-side door of the vehicle).

Never leave me alone in a vehicle. Always take me with you.

Always hold my hand or hold me close when we are walking.

Adults are always responsible for the safety of young children
